### INFORME DE CUMPLIMIENTO

#### Servicios de Recolección – Diciembre 2023

El Ayuntamiento Municipal de Bonao cuenta con un plan de recolección para el manejo de los desechos sólidos que se generan en todos los hogares, instituciones, empresas y espacios públicos de la ciudad.

Nuestro Departamento de Ornato y Limpieza cuenta con una flotilla de 12 camiones recolectores de desechos sólidos, para los cuales se han establecidos rutas, frecuencias y horarios en todo el municipio. Además, disponemos de un personal entrenado para realizar dichas labores de recolección.

Como parte de garantizar el cumplimiento de la recogida de los desechos, disponemos de un personal que supervisa y le da seguimiento a todas las operaciones programada, de acuerdo a la *matriz control de cumplimiento del servicio de recolección* establecida.

Es importante señalar, que como siempre lo hemos dicho estamos abierto a sugerencias de los munícipes: para ello, hacemos las observaciones y las ejecutorias de lugar en procura de mejorar cada día nuestras labores y lograr la satisfacción de la población.
